## Data

**Main Data:**

kaggle\_survey\_2021\_responses.csv: 42+ questions and 25,973 responses

- Responses to multiple choice questions (only a single choice can be selected) were recorded in individual columns. Responses to multiple selection questions (multiple choices can be selected) were split into multiple columns (with one column per answer choice).

**Supplementary Data:**

kaggle\_survey\_2021\_answer\_choices.pdf: list of answer choices for every question

- With footnotes describing which questions were asked to which respondents.

kaggle\_survey\_2021\_methodology.pdf: a description of how the survey was conducted

- You can ask additional questions by posting in the pinned Q&A thread.
